

COVID-19 Policy and Waiver of Liability

2022 CA CLT Network Conference

Oct. 13-14 — Los Angeles

While we are excited to gather in person for the 2022 CLT Conference we are also very aware that the COVID-19 Pandemic continues to pose a serious threat to ourselves and our communities. We are committed to holding this event in as safe a manner as possible while also recognizing that some members of our community may choose not to join because of health considerations.

We are committing to a set of safety precautions and we are asking all attendees to commit to the following

- 1) Taking an at-home COVID test within 24 hours before arriving at the conference and not attending if the test comes back positive.
- 2) Providing proof of vaccination
- 3) Wearing a mask while not actively eating, drinking, or presenting *is strongly recommended*

If an individual is unable or unwilling to comply with the requirements above, we ask that they do not attend the conference. There will be no exceptions.

In the event that the Centers for Disease Control and Prevention (CDC) and/or the City and County of Los Angeles adopt more cautionary guidelines, we will adjust our policy in accordance.
