October Conference in Oakland

October Conference in Oakland - Priorities Summit

October Conference in Oakland - Priorities Summit

Priorities	# votes	Rank
Help with fundraising to get \$ from banks, CDFIs, philanthropy, donations, community	32	1
Create materials and opportunities to educate local government and the public about CLTs & policies that support CLTs	25	2
Fundraising to pool funds that can be recycled back to to CLTs for acquisitions and operations	25	2
Connect CLTs to expert consultants (and each other via mentoring and peer exchange opportunities) to help with technical topics	23	4
Workshops on technical topics, financial and legal tools and templates, and easy to use/accessible resources	23	4
Support with local and state-level policy advocacy - talking points and holding space to connect over key policy priorities	21	6
Develop guidance/support/technical assistance for supporting undocumented populations and other “complex” identities	16	7
Long term visioning and strategic planning for bold transformative policy and state level advocacy	16	7
Support in creating smaller regional networks , including in rural areas	7	9
