

## Support the 2025 California Community Land Trust Network Conference

The California CLT Network supports the growth of permanently affordable community controlled land and housing in California. [Our 2024 conference](#) drew 300+ attendees from statewide CLTs and beyond, philanthropy, government, and nonprofit partners! We are excited to invite you to help support our 2025 conference on September 25th and 26th in Fresno, California at the DoubleTree by Hilton Hotel. We need your support to make this conference a success. Your support will enable us to secure and staff a venue for 350+ participants, as well as plan programming that will continue growing Community Land Trusts statewide.
