

Support the 2026 Ca CLT Network Conference Sept 3-4, San Francisco, Ca

The California CLT Network supports the growth of permanently affordable community controlled land and housing in California. [Our 2025 conference](#) drew 312 participants from statewide CLTs and beyond, philanthropy, government, real estate development and many nonprofit partners! We are excited to invite you to help support the **2026 CLT Conference** in San Francisco. We need your support to make this conference a success. Your support will enable us to secure and staff a venue for 400+ participants, as well as plan programming that will continue growing Community Land Trusts statewide.
